## ABOUT US

### How We Started

A group of young people passionate about cinema founded the Stafidokampos Cultural and Artistic Centre in 1.991. Its aim: to bring cinema closer to the people. This is how Cine Rodon was born.

### Vision

Sine Rodon aspires to be a beacon of cultural connection and cinematic joy, where every summer night transforms into a shared celebration of film, community, and creativity.

### Mission

Cine Rodon exists to bring cinema closer to the people by offering accessible, high-quality screenings under the stars, fostering dialogue, creativity, and community spirit for over 12,000 visitors each summer.

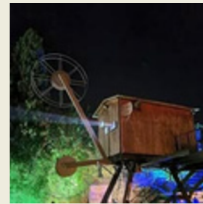

## WHAT WE OFFER

### Open-Air Screenings

Magical summer nights under the stars, where films are projected in an outdoor setting that blends cinema with nature.

### Atmosphere & Experience

Beyond films, it offers a social gathering space

### Community & Culture

More than just movies — Cine Rodon is part of the Stafidokampos Cultural and Artistic Centre, so it fosters dialogue, creativity, and cultural exchange.
